WELCOME TO AU LIBRARY, NY MUNKEGADE

AU Library, Ny Munkegade consists of six collections - Bioscience, Chemistry, Geoscience, Mathematics, Physics & Astronomi and Science Studies - and a vibrant study environment.

On library.au.dk you can find and order all of the resources at Aarhus University and Statsbiblioteket. You can also find a lot of useful information for researchers, teachers and students.

The library is located in newly renovated rooms in Ny Munkegade, building 1536, 2nd floor.

Service hours are 10 - 15. The library is open within the office hours of the Department of Mathematics, and all hours for key card holders (for the buildings 1530-1536).

Ask the [information office](#) at the Department of Chemistry for an access application.
